

ADDENDUM NO. 2
REQUEST FOR QUALIFICATIONS
CONSULTING SERVICES (CCNA) FOR THE PHASE I COMBINED PROJECT
POLK REGIONAL WATER COOPERATIVE

June 12, 2017

R.F.Q. NO. 7174A

The purpose of this addendum is to advise all interested parties of the following revisions and/or clarifications and to transmit the information as noted below:

- 1. Question:** Do subconsultants and others need to have the same levels of insurance as the Prime Consultant.

Response: The insurance requirements that appear in the RFP is the amount of insurance that the Prime Consultant is required to have and demonstrate to the Cooperative. The amount of insurance that subs to the Prime Consultant is determined by the Prime Consultant and should be of sufficient amounts to protect the Prime Consultant from liability based on the work that the sub is performing, and the insurance that the Prime Consultant requires from subs does not have to be demonstrated to the Cooperative; however, the Prime Consultant should ascertain that all subs insurance is in place and that the additional insureds are listed properly.

Question: How will the wells be developed and how will the well drillers be procured.

Response: Consultant will be responsible for all requirements to obtain well construction permits and the preparation of the bid package for the test well(s). This will include the well specifications for the Lower Floridan Well(s) and the monitoring wells sufficient to conduct an Aquifer Performance Test(s) to determine impacts on the Upper Floridan Aquifer and surficial water system as required for water use permitting consistent with the Project plan. Consideration will also be given to obtaining hydrogeologic information during the drilling phase that can be used to determine the feasibility of an injection well in the vicinity for reject water.

- 2. R.F.Q. Due Date Remains: 3:00 p.m. – Friday – June 23, 2017.**
